www.prodesigned.com

Open Back/Buckle System Combo • Both custom systems can be combined on Pro-Designed, Inc., pad products, if available for the style desired.

open back system

buckle system

Combining the **Open Back System** with the **Buckle System** provides the user with the ultimate control over securing the pad. Customers should always allow extra time for production of custom orders like the **Open Back/Buckle System Combo**. For further information about ordering requirements or estimated delivery times, please call 713-957-0341.

Due to the Nature of the Intended Use of PRO DESIGNED, INC. Products NO WARRANTY IS EXPRESSED OR IMPLIED.

PRICING:
