Open Back System • This custom system can be added to these Pro-Designed, Inc., pad products: Super Singles, 1 1/3 Capped, Double Capped, Recreational, Q, & Mini Ramp Knee Pads, including pads also customized with the **Buckle System**.

The **Open Back System** is a custom addition to pad products requiring that customers measure thigh and calf circumferences and provide these dimensions when placing an order. Customers should allow extra time for production required by manufacture of pads with the **Open Back System**. For further information about ordering this customization, please call 713-957-0341.

Due to the Nature of the Intended Use of PRO DESIGNED, INC. Products NO WARRANTY IS EXPRESSED OR IMPLIED.
